Increased capacity of IFFCO

2563. SHRI CHIMANBHAI HARIBHAI SHUKLA:
SHRI RAGHAVJI:

Will the Minister of CHEMICALS AND FERTILIZERS be pleased to state:

(a) whether the Indian Farmers and Fertilizers Cooperative Limited (IFFCO) at Kandla and Kalol has started production as per its increased capacity;

(b) if not, the time by when the production is likely to be started;

(c) the number of new employment opportunities created as a result of the increased capacity;

(d) the number of local persons who have been given employment in lieu of acquisition of their land; and

(e) the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF CHEMICALS AND FERTILIZERS (SHRI EDUARDO FALEIRO): (a) to (e) Indian Farmers Fertiliser Cooperative Limited (IFFCO)'s expansion project at Kalol is expected to be commissioned by 01.09.1997. There is no additional requirement of manpower or land for this project.

In the absence of a final investment decision on IFFCO's proposed Kandla expansion project, it is not possible to give any indication regarding its likely date of commissioning, new employment opportunities to be generated, land to be acquired and displaced persons to be employed.

Self-Sufficiency in Foodgrains

2564. SHRI BHAGABAN MAJHI: Will the Minister of AGRICULTURE be pleased to state:

(a) the items of foodgrains in which the country has become self-sufficient;

(b) whether Government propose to export those items;

(c) if so, the details thereof; and

(d) the specific steps taken in Orissa and other States to encourage and increase diversification of cropping pattern?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI ARVIND NETAM): (a) Country has achieved self-sufficiency in foodgrains except pulses.

(b) and (c) A quantity of 468.70 thousand tonnes of Rice Basmati, 422.73 thousand tonnes of Rice (other than Basmati), 56.21 thousand tonnes of Wheat and 68.60 thousand tonnes of other cereals are provisionally estimated to have been exported during 1994-95.

(d) In order to increase production and productivity of all crops in the country including Orissa State, the on-going crop production oriented programmes during 1994-95 were modified to introduce the cropping system approach which would help in diversifying the efforts of raising production of various crops instead of individual crop.
